I ABOUT US

Leboo was founded in year 2006 by a professional team, with over 16 years' experience in medical and PPE field in China.

We own 2 clean rooms, are aiming to provide high quality products, including surgical packs & drapes, surgical gowns, surgical mask, protective apparels, head wears, shoe covers, as well as other disposable products.

Through great effort, Leboo has won good reputation among the customers, established a sound partnership with more than 80 countries and 400 customers.

In 2019, Leboo was honored the award of 'Top 10 Chinese Medical Consumables Enterprises' by CCCMHPIE.

I GOOD REPUTATION

With many years exporting experience to Europe, U.S.A., Latin America, South Africa, Middle east and Asia, Leboo has established a solid reputation with competitive prices, reliable supply and timely service. We are confident in our ability to build even better reputation all over the world.

I COMMITMENT TO QUALITY

As direct manufacturer in China, Leboo is dedicated to providing premium quality products. In this pursuit, Leboo has attained CE, FDA and ISO certificates, the most stringent international standards for medical products.
