We are a manufacturer of latex condoms and PU condoms, with 60 years of production experience. Our company has CE, ISO13485 and FDA certificates and other quality system certificates related to the medical industry. Now we have customers in Europe, Asia, Africa and many other regions. We not only work with free market customers but also with Governments and NGOs. The annual regular orders and sales keep growing steadily. Most importantly, we are also one of the PQ suppliers of UNFPA for male latex condom products.
