JUAN ROBERT ARNAVAT  
Doctor in Industrial Engineering  
and Sworn Translator

PS/DP/MST 31/2014-CERT.

I, Ms. María del Carmen Abad Luna, Head of the Department of Health Products at the Spanish Agency for Drugs and Health Products

CERTIFY:

That the company SPINREACT, S.A., with registered offices at Ctra. Santa Coloma, 7 - Sant Esteve de Bas, 17176 Girona (Spain), manufactures and sells in Spain the products for in vitro diagnosis listed in the attached appendix which comprises 9 pages, that these products have the CE marking in accordance with Directive 98/79/EC of the European Parliament and Council of 27 October 1998 on health products for in vitro diagnostic, authorising their sale in Spain and in the rest of the countries of the European Union, and there are no obstacles to their exportation.

For these products, the company has notified the Authorities responsible for health products in Spain of the information relating to the registration of persons responsible for placing devices on the market established in article 9 of Royal Decree 1662/2000 of 29 September on health products for in vitro diagnostic, which transposes article 10.1 of the aforementioned directive about the register of manufacturers and products.

That the aforementioned company has the prior health licence required for the facilities used to manufacture health products for in vitro diagnosis, to which effect it is registered on the appropriate register with licence number 5206-PS, with these facilities being subject to control and inspection by the Spanish health authorities, in accordance with the provisions of article 4 of Royal Decree 1662/2000 of 29 September on health products for in vitro diagnostic.

Furthermore, and even though it is a voluntary standard, the aforementioned company has obtained certification to the EN-ISO 13485 standard "Medical Devices - Quality Management Systems - Requirements for Regulatory Purposes", which guarantees compliance with the requirements of the appendices of the aforementioned directive and which are equivalent to the good manufacturing practices required by other countries.

And so that it MAY SERVE the appropriate purposes, I sign this certificate in Madrid, on thirteen February two thousand and fourteen.
