

Declaration of Conformity with the RoHS Directive 2011/65/EU and REACH

Name and Address of the Manufacturer: **ELEKTROPLAST SP.Z O.O. 32-431 STRÓŻA 1015**

We hereby declare that all our products comply with the provisions of the RoHS Directive II-2011/65/EU, the RoHS III Directive - 2015/863 and the Directive (UE) - 2017/2102.

The products are designed, manufactured, and inspected under a certified quality management system based on ISO 9001.

The last two digits of the year in which the CE marking was affixed are included in the Declarations of Performance of the individual products.

These declarations are sent electronically upon the customer's request, together with the purchase invoice. Product datasheets are available at www.elektroplast.com.

Products subject to the marking requirement have the CE mark specified in the technological documentation and affixed to a label attached to the product.

REACH

As a manufacturer of products under REACH, we hold the status of a downstream user.

All products manufactured by Elektroplast Sp. z o.o. at its production facility in Stróża comply with the requirements of REACH (EC) No. 1907/2006 and Commission Regulation (UE) No.2020/878
