Built Exclusively for Your Home

The Lenovo Q24i-1L sports a clean design with a luxurious iron gray stand that blends with your home interiors. The 6.9 mm ultra-slim monitor head coupled with a 3-side NearEdgeless screen makes this display a sight to behold. Make a contemporary addition to your wall by mounting this VESA-compatible monitor neatly on any flat surface. Alternatively, place it on a table and have the option to adjust the monitor to just how you need it with the tilt function of the stand. The built-in cable holder ensures your space remains neat and clutter-free by keeping all the wires and cables in check.
