ERA Ref.: 20240503/LKN

Guarantee Conditions

The warranty period for the SQUID is 12 months, starting from the successful SAT or 1 month from the date of arrival of the shipment of the Squid to the port of destination, whichever occurs earlier:

- The warranty applies to good equipment operation. Good operation means that the unit operates in compliance with the Operational and Technical Manual.
- The warranty applies to defects in materials or technical defects caused during the equipment manufacture.
- The warranty does not apply to damages caused by an incorrect manipulation, non-authorized or unqualified handling, usage and installation being inconsistent with the Operational and Technical Manual.
- The warranty becomes invalid if the Buyer is in breach of the operation and application principles described in the Operational and Technical Manual.

Sincerely,

Lukas Konvalina
