PUNCHING**

P-24

AVAILABLE WITH **CLICK SYSTEM**

Thickness

1,2 mm - 1,5 mm - 1,8 mm

Length

From 0,75 m to 3,70 m

Presentation

150 units Pack

Value for money-price-resistance.
All types of terrain.

Steel quality: **DX51** or **S250GD**

Available Galvanizations: **Z275, Magnelis, Corten** and **Heat Galvanized**.

European Production Regulation: **UNE EN - 10346**

Flagship of the brand and a benchmark in the sector for its **excellent quality-strength-price ratio**.

Suitable for all types of terrain, even the most demanding.

Its design, with 2 small upper ribs or a large central rib in the case of the P24, gives it unequalled resistance for any height and load in the vineyard.

The best and most successful option to **guarantee quality in your vineyard**.
