

No. 474 from 21.09 2023

Letter of Recommendation

To whom it may concern,

AO „Concordia. Proiecte Sociale” has been working with **Moldauditing LTD** since January 2023. **Moldauditing LTD** was selected as an audit company due to its wide experience and professional approach.

Our cooperation with **Moldauditing LTD** focused on the provision of accounting services for several Emergency Projects. During this time, their team provided support in verifying the accuracy of all financial records, transactions, and statistical information, according to relevant standards and regulations. As a result, we received a final report containing detailed and extensive information that validated our internal organizational procedures. This report was thus submitted to our donors.

With their dedication to the non-profit sector and commitment to ethical and professional standards, we consider **Moldauditing LTD** as a competent and reliable company for cooperation for any organization striving to create a positive social impact in the community.

Sincerely,

ADMINISTRATOR
