

To whom it may concern,

By this letter, we **Nipro Medical Europe** on behalf of **Nipro Corporation (Japan)**, would like to provide clarification on the marking of NIPRO Blood Tubing Set

Product code

A363R-V849R (REF - A363R-V849R-GT) - Used for hemodialysis and compatible with SURDIAL X machines.

A364R-V850R (REF A364R-V850R-GT) - Used for hemodiafiltration and compatible with SURDIAL X machines.

When shipped to customers, these REF codes includes additional extensions, such as "GT", which specify the sterilization method and the country of origin.

Extension "GT" stands for:

- **G** - Gamma Radiation sterilization
- **T** - Thailand as the country of origin

Codes offered by S.C. IMUNOTEHNOMED S.R.L. for procurement project number 21464931 / ocdb3wdp1-MD-1754652866444 should be understood as follows:

- A363R-V849R (REF - REF - A363R-V849R-GT): Blood line for hemodialysis, compatible with SURDIAL X machines, sterilized by Gamma Radiation, and manufactured in Thailand.
- A364R-V850R (REF A364R-V850R-GT) : Blood line for hemodiafiltration, compatible with SURDIAL X machines, sterilized by Gamma Radiation, and manufactured in Thailand.

Please feel free to contact us with any questions.
