

P10050V Power Bank

ENERGIZE WITH COLOR

P10050V Power Bank

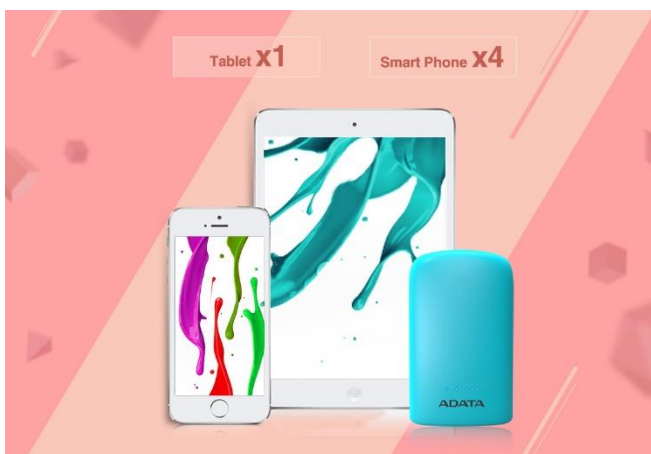

Some people say variety is the spice of life. We couldn't agree more! The P10050V comes in your choice of six colors – light blue, dark blue, pink, red, black, and white.

Big on Power

It may be compact, but it holds enough power to fully charge up a tablet, or a smartphone four times over.

Charge Two Devices at Once

With two 2.4A USB output ports, you can charge two devices simultaneously, saving you precious time.

Made to Go

Despite being big on power, the P10050V is easy to grasp with one hand and slips into bags or purses with ease.

Multiple Safety Mechanisms

The P10050V employs additional safety mechanisms that counter over-discharging, over-charging, short-circuiting, over-voltage, and over-current.

Features

- Li-Ion battery with 10050mAh power capacity
- Multi-color with a flame isolated plastic panel
- Dual USB fast charging ports
- Simultaneous charging and discharging
- Built-in LED flashlight
- Multiple circuit protection (OCP, OVP, OTP, SCP, ODP, OCP)
