

Everyday productivity & immersive entertainment

Dell 27 All-in-One | **EC27250**

Get the performance you need and impressive visuals with a space-saving all-in-one desktop.

Space-saving design

Your All-in-One saves space by integrating the computer and display. It fits seamlessly into your home or office.

Optimize your space

Keep your area clutter-free with an innovative stand that provides the perfect space to store your keyboard underneath the display.

Easy-to-access ports & slots

Connect and charge your devices with 5 USB ports, including a convenient side USB-C port.

Large, vivid display

Immerse yourself in a 27" FHD IPS display featuring 99% sRGB, 50% higher contrast*, 66% higher refresh rate* and optional touchscreen.

Eye comfort

With Dell ComfortView Plus, your display is TÜV Rheinland certified* to protect your eyes from harmful blue light emissions and to reduce eye strain.

Sustainable materials

Featuring a plastic-free logo* and materials like recycled plastic and recycled steel.*

Sustainable packaging

Your All-in-One ships in packaging made from 97% recycled or renewable content.*

Picture perfect

Look your best, even in challenging lighting conditions, thanks to a built-in webcam with HDR technology. For privacy, simply push the pop-up camera down to hide it.

Wireless, high-definition audio

Enjoy loud, clear audio with dual Bluetooth speakers and Dolby Atmos® spatial sound while listening to music, video chatting or watching a movie.

Intel® Core processors

Tackle your to-do list with powerful Intel® Core™ processors.

Optional NVIDIA® graphics

Accelerate creative workflows with NVIDIA® GeForce® MX570A, available on configurations with Intel Core 7 and i7.

DDR5 memory

Work efficiently and multitask with up to 32GB DDR5 memory.

Wi-Fi 6E

Delivers a smooth, reliable network connection.

Immersive visuals

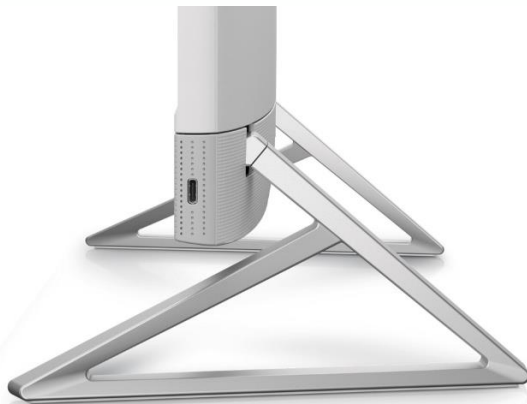

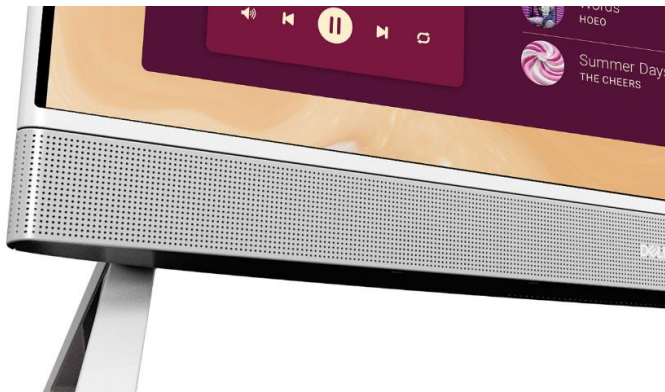

The FHD IPS display features 99% sRGB and 50% higher contrast¹ within a narrow border so you can enjoy vivid, true-to-life colors as you work, learn or stream.

With a touchscreen or non-touchscreen display option, enjoy immersive interaction or traditional productivity.

Eye comfort

Keep your eyes comfortable during long screen sessions with Dell ComfortView Plus, designed to reduce harmful blue light emissions. Enjoy a smoother viewing experience, thanks to a refresh rate that's 66% higher than the previous generation².

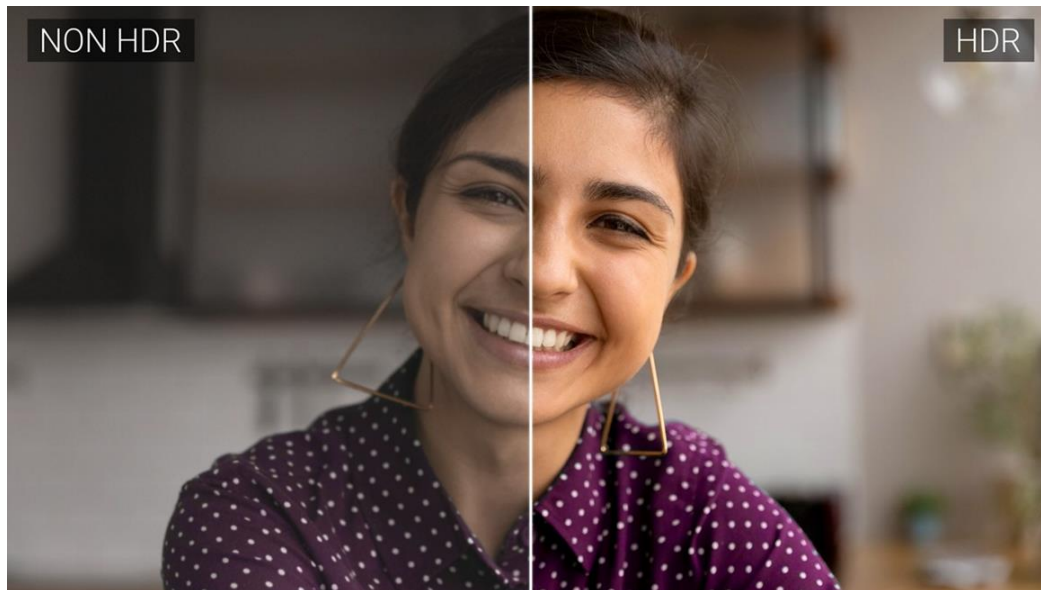

Optimize your space

This PC seamlessly blends into your home or office with its elegant design.

Keep your area clutter-free with an innovative stand that provides the perfect space to house your keyboard underneath the display.

Charge your devices while you work or relax with a convenient USB-C port tucked into the side panel.

Picture perfect

Look your best, even in challenging lighting conditions, thanks to HDR technology on the FHD or 5MP+IR camera. Adjust the tilt from 0 to 20 degrees for the perfect angle. For privacy, simply push the pop-up camera down to hide it.

Wireless, high-definition audio

Immerse yourself in loud, clear audio with dual Bluetooth enabled speakers and Dolby Atmos® spatial sound while you're listening to music, video chatting, or watching a movie. Connect your phone or other device and enjoy powerful audio while you move around your home or office.

Maximize productivity

Work efficiently and multitask with up to Intel® Core™ 7 processors, up to 32GB DDR5 memory and up to 2TB SSD.

For even faster performance for your creative and entertainment needs, choose NVIDIA® MX570A discrete graphics³.

Your keyboard comes with the Microsoft Copilot key, giving you instant access to your personal AI assistant.

Connect a second monitor or separate PC with HDMI-in/HDMI-out ports and connect multiple accessories with five USB ports.

Enjoy a smooth, reliable network connection with Wi-Fi 6E⁴.

Designed for sustainability

Your All-in-One features a plastic-free logo⁵ and materials like recycled plastic⁶ and recycled steel⁷ with packaging made from 97% recycled or renewable content⁸.

We also offer responsible [asset recovery services](#) to help you make your switch to the latest technology.

Recommended accessories

**Dell 27 Plus Adjustable Stand Monitor – S2725HS**

A 27-inch FHD monitor that optimizes eye comfort and features impressive visuals with outstanding acoustics in a lifestyle-inspired design.

**Dell Pro Premium Wireless ANC Headset – WL7024**

Stay focused anywhere with an intelligent wireless headset, featuring dual-directional AI-based noise cancellation and Adaptive ANC.

**Dell Pro Premium Compact Mouse – MS7421W**

Get uninterrupted productivity with a rechargeable mouse that offers up to six months battery life on a full charge and recharges in just two minutes for a full day's work.

**Dell Pro Plus Keyboard and Mouse (Copilot) – KM7321W**

Experience superior multitasking features with a stylish and comfortable premium keyboard and mouse combo. Complete your tasks powered by one of the industry's leading battery lives at up to 36 months.

**Dell Pro Wireless Keyboard and Mouse (Copilot) - KM5221W**

Combining a discreetly powerful keyboard with an expertly designed mouse, the Dell Pro Wireless Keyboard and Mouse combo enhances your productivity. Powered by one of the industry's leading battery lives of up to 36 months, this combo is built to last.

Starting Weight (Touchscreen): 14.55 lb (6.60 kg)

Starting Weight (Non-Touchscreen): 13.56 lb (6.15 kg)

Claims

Category	Claim Text	Claim ID
Gen over gen	The Dell 27 All-in-One (EC27250) display features 50% higher contrast when compared to the previous generation. <i>*1500:1 contrast ratio, compared to 1000:1 contrast ratio on the previous generation, Inspiron 27 All-in-One (7730).</i>	CLM-013108
Gen over gen	The Dell 27 All-in-One (EC27250) display has a 66% higher refresh rate when compared to the previous generation. <i>*100Hz refresh rate, compared to 60Hz refresh rate on previous generation, Inspiron 27 All-in-One (7730).</i>	CLM-013107
Low blue light	The Dell 27 All-in-One (EC27250) is TÜV Rheinland Category 2 certified* with Dell ComfortView Plus hardware technology to help reduce harmful blue light emissions while maintaining true-to-life colors. <i>*Global (except China): TÜV Rheinland Certified (ID#1111251878 - Low Blue Light Content). TÜV Low Blue Light (Hardware Solution) Category 2 requires the blue light ratio to be 20%<R≤35%. For more details, visit www.tuv.com</i> <i>**China only: N/A</i>	CLM-013106
Flicker free	The Dell 27 All-in-One (EC27250) is TÜV Rheinland certified* with a flicker-free panel to optimize eye comfort. <i>*Global (except China): TÜV Rheinland Certified (ID#1111251879 - Flicker Free). For more details, visit www.tuv.com</i> <i>**China only: N/A</i>	CLM-013104
Sustainability	Etched logos or seamless logos are more durable and produce less manufacturing waste than traditional manufacturing process used to produce plastic badge logos. <i>*Based on internal analysis, November 2024. Applies to the entry configuration.</i>	CLM-012937
Sustainability	The All-in-one is designed with materials like recycled steel and recycled plastic. <i>*Based on internal analysis, November 2024. Up to 35% recycled plastic in the webcam components, up to 15% recycled steel in the bracket of the main housing and 30% recycled plastic in the 130w adapter case.</i>	CLM-012940

Claims (continued)

Category	Claim Text	Claim ID
Sustainability	Designed with up to 35% recycled plastic in the webcam components, up to 15% recycled steel in the bracket of the main housing and 30% recycled plastic in the adapter case. <i>*Percentages are of total material weight in the specific component. Adapter case based on 130 W adapter. Based on internal analysis, November 2024.</i>	CLM-012939
Sustainability	The Dell 27 All-in-One ships in packaging made with 97.9% recycled or renewable content. <i>*Contains 89.2% recycled materials and 8.7% renewable materials in the form of sustainably forested materials. Percentages may vary slightly by region. Excludes optional items added to order and included in box.</i>	CLM-012938

Important details

Memory: Graphics & System Memory: GB means 1 billion bytes and TB equals 1 trillion bytes; significant system memory may be used to support graphics, depending on system memory size and other factors.

Hard Drives: GB means 1 billion bytes and TB equals 1 trillion bytes; actual capacity varies with preloaded material and operating environment and will be less.

Wi-Fi 6E: Wi-Fi 6E requires Windows 11 Operating system and compatible router. Router requires a separate purchase. Wi-Fi 6E connectivity is only available in select locations: <https://www.wi-fi.org/countries-enabling-wi-fi-in-6-ghz-wi-fi-6e>. Check availability with your service provider.

The **Bluetooth wireless version** may vary depending on the operating system that is installed on your computer.

Weights vary depending on configuration and manufacturing variability.

AI: AI features may require software purchase, subscription or enablement by a software or platform provider, or may have specific configuration or compatibility requirements. Details at www.intel.com/aipc.

1. 1500:1 contrast ratio, compared to 1000:1 on previous generation.
2. 100Hz refresh rate, compared to 60Hz on previous generation.
3. Available on configurations with Intel® Core™ 7 and i7 processors.
4. Wi-Fi 6E requires Windows 11 operating system and compatible router. Router requires a separate purchase. Wi-Fi 6E connectivity is only available in select locations. Check availability with your service provider.
5. Based on internal analysis, November 2024. Applies to the entry configuration.
6. Based on internal analysis, November 2024. Up to 35% recycled plastic in the webcam components, up to 15% recycled steel in the bracket of the main housing and 30% recycled plastic in the 130w adapter case.
7. Based on internal analysis, November 2024. Applies to the entry configuration.
8. Contains 89.2% recycled materials and 8.7% renewable materials in the form of sustainably forested materials. Percentages may vary slightly by region. Excludes optional items added to order and included in box.
9. Weights vary depending on configurations and manufacturing variability.
