

## YA-D3-3 ELECTRIC HOSPITAL BED

The YA-D3-3 electric hospital bed features a wide range of adjustability that makes it as easy as possible to attain high-quality patient care. This bed is adjusted to suit needs with three functions. The agile castors bring effortless manoeuvring and mobility. The guardrail keep patients well-protected from falling.

### PRODUCT FUNCTION

#### 01 Back section adjustment

The back can rise smoothly from 0° to 75° which is convenient for the patient to get up

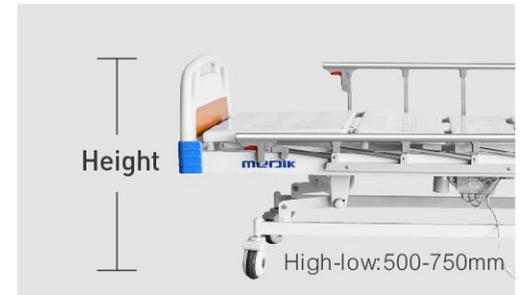

#### 02 Foot section adjustment

The legs can rise smoothly from 0° to 40°

#### 03 Height adjustment

The bed can be raised or lowered, make it easier for patients to get in and out of bed more comfortable.
