

ALEXEI SIRBU

Videographer/Co-Founder @ TINTO (Universal Production SRL)
QUBO Communications' partner company in video production since 2017

SUMMARY

Experienced director and video producer with an extensive track record of projects such as TV commercials, promotional videos, large scale TV shows ("Moldova Are Talent", "WOW Kids", "Made in Moldova"), social awareness ads and many more. His education, technical skills, and expertise (in shooting, planning, editing, post-production) allows the handling of big and complex projects, adapted to various requirements and styles. Moreover, the 10 years of experience empower his vision and imagination to create unique and innovative video products, leading to a rich and diversified portfolio. Passionate about web design and digital, perfectly adapts video materials for social media or the web. Speaks Romanian, English and Russian, and is able to carry out projects in all 3 languages.
