CEO at Simpals | Investor | Advisor | Entrepreneur
Brașov, Romania

Summary

I am deeply committed to transforming Moldova's IT landscape, infusing it with innovative and sustainable solutions. My journey has been fueled by a fervent passion for technology and its potential to reshape our world. I find my greatest fulfillment in mentoring aspiring tech leaders, sharing my experiences and insights to inspire their paths. Every day, I am motivated by the incredible potential of technology to make a lasting impact, both locally and globally

Experience

SIMPALS

CEO

August 2003 - Present (21 years 1 month)

Responsibility for creating, planning, implementing, and integrating the strategic direction

Startup Moldova

Board Member

November 2023 - Present (10 months)

Startup Moldova is a private initiative, a non-profit organization, founded in April 2021 by the National Association of ICT Companies (ATIC). Led by a team of Board Members, our organization is dedicated to accelerating economic growth and prosperity in the Republic of Moldova through a thriving startup and digital innovation ecosystem by 2030.

ATIC

Member Board of Directors

March 2019 - Present (5 years 6 months)

Chișinău, Moldova

ATIC is a non-governmental organization whose main objective is to promote the development and enhance the competitiveness of the ICT sector in the Republic of Moldova. Companies operating in the field of software and hardware, telecommunications and other, are members of the association.

Moldova IT Park

Member

January 2018 - Present (6 years 8 months)

Chisnau

Acting as a cluster facilitator, the Moldova IT Park provides organizational platform with a set of innovative tools and new approaches to accelerate, in a coordinated manner, the transformation of economy, streamlining corporate innovation practices, boosting the growth of the IT industry, supporting partnerships, creating new jobs and attracting local and foreign investment.

Increase the regional competitiveness of the Moldovan IT sector by significantly reducing the tax burden by introducing a single tax of 7% of sales revenue, facilitating immigration documentation of expats, reducing bureaucratic barriers and, of course, the virtual presence.
