Material	<u>Tru-Comfi® lead product</u>
Protection Level (mmPb)	025, 035, 050
Size	XS, S, M, L, XL, XXL, CUSTOM

Tru-Comfi leaded Thyroid Shield

Extra protection for the thyroid gland, which is particularly susceptible to radiation.
Can be used together with protective aprons.

Colour	Black, Blue, Dark Blue, Dark Olive Green, Lime Light, Orange Red, Pink
Material	<u>Tru-Comfi® lead product</u>
Protection Level (mmPb)	025, 035, 050
Size	25(L)X59(W) cm

Head shield
N-XR-12 / N-XR-12-L

Head shield helps protect the skull from radiation, providing 0.25, 0.35, 0.5mm Pb protection on all sides and 0.25 mm Pb protection on top.
