

### ***REQUEST FOR FINANCIAL STATEMENTS AND TAX RETURNS***

We don't send out financial statements on individual companies. We don't have audited financial statements for every company FIS owns AND THE Audited financial statements are filed on a consolidated basis. The same is true with tax returns. We never provide financial statements or tax returns to any 3<sup>rd</sup> party. We refer the customer to the U.S. Securities and Exchange Commission where the financial statements are filed on a quarterly basis.

- Go to [www.sec.gov](http://www.sec.gov)
- Look at the space on the home page where it says **Search Edgar**
- **Type Fidelity National Information Services Inc. (FIS)** in the Search Edgar Box
- **Scroll down to the 10-K annual report that was filed 2018-02-22 and click on documents**
- **Click on documents on the far left of the company name**
- **Exhibits are listed in the description column**
- **Click on Exhibit 21.1 which is a list of all subsidiaries owned by FIS.**
  - Note there are 11 pages of Subsidiaries

The quarterly and yearly financial statements that can be viewed with all of its attachments including a list of subsidiaries.

In the notes to the financial statements will include information on the ownership structure, officers and other pertinent information.
