The grant recipient shall in contacts with mass media and the public inform them that the project is financed with a grant from Tillväxtverket.

§ 17 Final decision

The project will be physically followed up by an inspector from Tillväxtverket, or an inspector appointed by Tillväxtverket, in order to check on the spot that the project has been implemented according to the project plan. If the grant recipient caused the approval of the grant through incorrect or incomplete information, if he has used the grant without permission for some other purpose than that intended or if he has in other respects acted as stated in § 9, and if this means that the project results cannot be accepted wholly or partially, then the result may be that the finally granted amount will be lower than the sum of the disbursed funds. If this is the case, it is possible for the whole or part of the disbursed funds to be reclaimed.
