

METERTECH THREE YEAR WARRANTY TERMS

Metertech Inc. warrants its products against defects in material and quality under regular use and service. Every hardware portion of the products will be free from physical defects in material and quality during the warranty period, or the product will be repaired or replaced as determined solely by Metertech.

Following standard warranty rules apply to Metertech products:

1. Metertech warranty covers three years against defects and will not protect against misuse of the instrument.
2. Metertech warranty does not cover lamps, filters, etc. and other consumables
3. Under the 3-year warranty, ship to Metertech will pay by the customer, and Metertech will pay ship to the customer
4. Out of warranty instrument which needs to repair, and the customer will solely pay freight
