EMPLOYMENT CERTIFICATE FOR Mr: Andrei Tocaru

Pers. No.: 00210063

The German Development Cooperation through GIZ has been implementing the project 'Modernisation of Local Public Services in the Republic of Moldova' (MLPS) since the beginning of 2010 with an overall budget of approx. 98 million Euro. The project supports the Moldovan Government in improving the regional development and the provision of local public services for the benefit of the citizens. Besides adjusting the legal framework for regional development policy in general, it focuses on three priority sectors: water supply and sanitation, energy efficiency in public buildings and solid waste management. A holistic advisory approach for capacity development is applied. It consists of establishing integrated planning and programming procedures and improving structures of intermunicipal cooperation. Similarly, regional institutions, local public authorities and service providers are capacitated in supporting the implementation and operation of infrastructures for provision of local public services and the local population is mobilised in monitoring activities pertaining to local service provision.

The project is commissioned by the German Federal Ministry for Economic Cooperation and Development (BMZ) and co-financed by the European Union, the Governments of Switzerland, Romania and Sweden.
