LETTER OF REFERENCE

Polska Wytwórnia Papierów Wartościowych S.A. is a supplier of electronic components to Lithuanian ID cards and Residence Permits.

IT specialists from PWPW S.A. advise LODVILA on the selection of software and other technical issues related to the functionality of the system for personalizing Lithuanian IDs.

The electronic components supplied by PWPW S.A. are compliant with requirements and technical specifications set by ICAO and the European Commission.

Since 2019 PWPW supplied nearly 1 million pcs of components.
The total value of contract in indicated above period is nearly 2 million EUR.

CEO

Kostas Valiūnas
