

Self-declaration – regarding the transition period (Regulation (EU) 2023/607) from MDD to MDR

The Declarations of Conformity of **Gebrüder Martin GmbH & Co. KG**, which are based on Council Directive 93/42/EEC (MDD) will continue to be valid for class I, IIa, IIb and III without modification beyond 26 May 2024 until 31 December 2027/2028.

Simple class I devices have to fulfill already since 26 May 2021 the requirements for Medical Device Regulation (EU) 2017/745 (MDR) – no extended transition period applies.

This self-declaration is justified by law with the Article 120.3c of the Medical Device Regulations (EU) 2017/745 (MDR) as amended by Regulation (EU) 2023/607 of the European Parliament regarding the transitional provisions for certain medical devices. The MDD-Declarations of Conformity for all classifications higher than class I, the following modified transition period applies, depending on the classification:

- 31 December 2027: class III devices and class IIb implantable devices except sutures, staples, dental fillings, dental braces, tooth crowns, screws, wedges, plates, wires, pins, clips, and connectors.
- 31 December 2028: class IIb implantable devices that are sutures, staples, dental fillings, dental braces, tooth crowns, screws, wedges, plates, wires, pins, clips, and connectors, class IIb non-implantable devices, class IIa devices, class I sterile/measuring devices (class Is, Im), and devices that did not require notified body involvement under MDD but do so under MDR (e.g. class I reusable surgical instruments (class Ir)).

Regarding the devices specified in this self-declaration, we declare that:

- Those devices continue to comply with Directive 93/42/EEC.
- There are no significant changes in the design and intended purpose.
- The devices do not present an unacceptable risk to the health or safety of patients, users or other persons, or to other aspects of the protection of public health.
- A formal application was lodged with the notified body in accordance with Section 4.3, first subparagraph of Annex VII of the MDR for conformity assessment in respect of these devices on 23.10.2023. Please see the annex for the following information: name and ID of the notified body, EC Certificate number and scope of devices.
- A written agreement has been signed in accordance with Section 4.3, second subparagraph of Annex VII of the MDR. The written agreement was received on 01.11.2023. Please see the annex for the following information: name and ID of the notified body, EC Certificate number and scope of devices.
- In compliance with Article 10(9) of the MDR, a quality management system (QMS) has been put in place.

The medical devices covered by this self-declaration are listed in the following table in the annex. For these articles, the conditions for an extension of the transition period in accordance with Regulation (EU) 2023/607 are fulfilled.

Please see also page two and three “*Factsheet for authorities in non-EU/EEA states on medical devices and in vitro diagnostic medical devices*”: [MDR-IVDR FS third-countries en \(europa.eu\)](https://www.klsmartin.com/en/company/legal-merger/). Based on the Medical Device Regulations (EU) 2017/745 (MDR) as well as Regulation (EU) 2023/607, **the MDD-Declarations of Conformity of Gebrüder Martin GmbH & Co. KG still remain valid** until 31 December 2027/2028.
