Dear Sirs,

Hereby SMART Technologies ULC, the developer and manufacturer of SMART® branded interactive hardware and software solutions, including interactive flat panel displays and interactive whiteboards, having our headquarters in Calgary, AB T2R 0K1, Canada, expresses its sincere respect and confirms that

Tridimensional TEC SRL, registered in the Republic of Moldova (IDNO: 1008600025857), with its headquarters located at:

mun. Chişinău, sec. Buiucani, str. Alba-Iulia 204/1, ap. (of.) 69,

is an **Official Authorized Distributor of SMART Technologies products and solutions in the Republic of Moldova.**

This authorization includes, but is not limited to:

- SMART Board® interactive displays (GX, GX Plus, MX, 7000R series, and future models);
 - SMART Learning Suite and Lumio software;
 - SMART educational solutions, accessories, and certified services;
- Promotion, sales, installation, training, customer support, and after-sales service for SMART Technologies products.

As an authorized distributor, **Tridimensional TEC SRL** is entitled to:

1. Promote and represent the SMART Technologies brand within the Republic of Moldova;
2. Participate in public and private educational tenders involving SMART interactive technologies;
3. Provide official product demonstrations, implementation, and training services;
4. Access official sales materials, technical support, and partner resources provided by SMART Technologies.

This authorization is **valid for the territory of the Republic of Moldova** and remains in effect unless withdrawn in writing by SMART Technologies.

For verification or additional information, please contact SMART Technologies at:
