TO WHOM IT MAY CONCERN

By this act, ACEM S.R.L. confirm that the the Light field diameter of the lamp mod. **STARLED3 NX+ STARLED3 NX**, offered in Public Tender no. 21061149 by the authorized distributor ICS EYECON MEDICAL SRL, can be adjusted more than 34 cm, depending on several physical and technological factors.

But in order not to go into details, please see page 5 of the STARLED3 NX brochure, where it is indicated: "Note: All photometric values are subject to 10% tolerance. All data are according to reference Standard: EN 60601-2- 41".

In this way, without individual adjustments, the diameter of the light field can easily reach 36 cm.

Yours faithfully,
