

DECLARATION OF COMPLIANCE

To Whom It May Concern

December 2, 2025

As the vehicle manufacturer, Ford-Werke GmbH, we confirm that the below specified vehicle meets EU/ECE-Regulations with regard to its technical equipment.

Vehicle information:

Vehicle Identification Number:	
Model / Type:	TRANSIT / FBD
Engine:	2.0L Panther Diesel
Engine Code:	BKHA
Emission level:	HEAVY DUTY TRUCK EURO 6
Transmission:	6 SPD MANUAL
Maximum net power:	95.70 kW at 3250 min-1
CO ₂ emission combined:	273.60 g/km
Fuel consumption combined:	10.43 L/100km
Category:	BUS M2
Paint:	
Seats:	18
Length:	6704 mm
Width:	2126 mm
Height:	2746 mm
Technically permissible maximum laden mass:	4600 kg
Technically permissible maximum mass front:	1850 kg
Technically permissible maximum mass rear:	3120 kg
Technically permissible maximum mass of the combination:	N/A
Sound level - stationary:	81.00 dB(A) @ 2625 min-1
Sound level - drive-by:	70.00 dB(A)

This vehicle complies with the following EU/ECE-Regulations:

Sound level:	E11*51R03/06*9089*06
Emissions:	e5*595/2009*2022/2383E*00124*00
Steering equipment:	E11*79R03/09*1537*07
Protective steering:	N/A
Braking:	E11*13R11/20*6818*11
Safety belt anchorages:	E1-14R-070733 Ext. 02 E1-14R-070794 Ext. 01
Safety belt restraint systems:	E1*16R08/04*1756*02 E1*16R08/05*1555*09
Seats and head restraints:	E1*17R09/01*0889*08
Frontal off-set impact:	N/A
Side impact:	N/A
Pedestrian leg and head protection:	N/A

This document was prepared without a physical inspection of the vehicle.

This document is only valid if all vehicle parts are original equipment manufacturer (OEM) components.
