Reference letter

The undersigned Roman Žnidarič, MSC, the Executive director of CETIS, declares that **Jura JSP GmbH** is a technology supplier of CETIS, which is the passport production company in Slovenia.

Jura's **IPI** and **LetterScreen** solutions are used on the national passports of Slovenia. CETIS is satisfied with these security solutions as well as with the technical and logistical services and support provided by Jura.

The use of these security solutions and the supply services of Jura are highly recommended to similar passport-issuing organizations.

Thank you.

Roman Žnidarič, MSC
Executive director
