

## i-gel® supraglottic airway

### For use in anaesthesia and resuscitation

i-gel® is a truly unique, single-use, latex and PVC free second generation supraglottic airway management device that represents the culmination of years of extensive research and development. Made from a medical grade thermoplastic elastomer, i-gel® has been designed to create a non-inflatable, anatomical seal of the pharyngeal, laryngeal and perilaryngeal structures whilst avoiding compression trauma.

The i-gel® supraglottic airway is supplied in a fully recyclable protective cradle or cage pack. This unique packaging protects the i-gel® in transit and ensures that it maintains its anatomical shape. i-gel® is available in seven sizes.

#### 15mm connector

Reliable connection to any standard catheter mount or connection

#### Proximal end of gastric channel

#### Clearly displayed product information

For quick easy reference. Includes confirmation of size and weight guidance

#### Position guide (adult sizes only)

Easy confirmation of optimum insertion depth

#### Gastric channel

The i-gel® incorporates a gastric channel (except size 1). It provides an early warning of regurgitation, allows for the passing of a gastric tube to empty stomach contents and facilitates venting

#### Integral bite block

Reduces the possibility of airway channel occlusion

#### Buccal cavity stabiliser

Aids insertion and eliminates the potential for rotation

#### Epiglottic rest

Reduces the possibility of epiglottic 'down folding' and airway obstruction

#### The non-inflatable cuff

Made from a unique soft gel-like material allowing ease of insertion and reduced trauma

#### Distal end of gastric channel

Code	Description	Colour	Size	Weight	Box Qty.
8205000	i-gel®, supraglottic airway	Orange	5 Large adult	90+kg	25
8204000	i-gel®, supraglottic airway	Green	4 Medium adult	50–90kg	25
8203000	i-gel®, supraglottic airway	Yellow	3 Small adult	30–60kg	25
8225000	i-gel®, supraglottic airway	White	2.5 Large paediatric	25–35kg	10
8202000	i-gel®, supraglottic airway	Black	2 Small paediatric	10–25kg	10
8215000	i-gel®, supraglottic airway	Light Blue	1.5 Infant	5–12kg	10
8201000	i-gel®, supraglottic airway	Pink	1 Neonate	2–5kg	10
