

Suzhou Bioselec Biotechnology Co., Ltd.
Quality Report

Product Name:	High Temperature Resistant Yellow Medical Garbage Bag	Product No. :	BMGB0526	Batch No. :	BGB202305260115
	Testing	Testing Content			Testing

1	Appearance	Black spots, bubbles, pull marks, etc	PASS
2	Size	Compliant with drawing specifications	PASS
3	Tensile Strength	Vertical> 20 MPa Horizontal> 20 MPa	PASS
4	Elongation At Break	Vertical≥250% Horizontal≥250%	PASS
5	Drop Performance	2.0Kg of rags, paper scraps, sponges, plastic bottles, polyethylene particles, cotton silk packed to 3/4 bags, 500mm free fall to the cement floor 3 times, no cracking, no penetration	PASS
6	Water Leakage	No leakage	PASS
7	Hot Water Intensity	≥10N/15mm	PASS
8	Principal Component Identification	Polyethylene (PE)	PASS
9	Withstand Temperature	High Temperature Resistance 121℃	PASS

Quality Comprehensive Judgement	Qualified
