This product is guaranteed against defects in materials and manufacture of the actual product for a period of 12 months as from the date the product is registered. If the product is not registered within 30 days after the shipping date, that date will be considered as the start of the warranty period.

Our commitment is limited to replacing and/or repairing those materials and components proven to be faulty during the warranty period.

This warranty does not cover defects produced by the operator outside the product specifications established in the Instructions Manual

EuroSMC, S.A. does not assume any responsibility for any direct or indirect damage accidentally caused by the product.

For and on behalf of EuroSMC, S.A.

Elena Lladró Sáenz
Quality Manager
EuroSMC, S.A.
