

# ZX20L

USB 3.2 Gen 2x2 Type-C  
Portable SSD

## Remarkable Transmission Speed

Netac's ZX20L Portable SSD supports the USB 3.2 Gen2 x2 high-speed transmission specification, delivers blazing-fast transfer speeds of up to 2,000 MB/s, and loads large files in seconds, making storing a wide range of video, audio, images, files, and other tasks a breeze. Just plug and play, quickly access daily data, and accelerate your productivity.

The ZX20L is small enough to fit perfectly into a carry-on bag or pocket, saving even more weight and space, and making it an ideal companion for outdoor travel.

With capacities ranging from 256GB to 2TB, you can keep expanding your device's storage space to share and enjoy your data whenever you want.

It also features two port cables, allowing you connect multiple devices like the market's new mobile phones, computers, tablets, and TVs anytime.

## Feature

- USB 3.2 Gen 2x2 20Gbps transmissions
- High-speed file transfer performance
- Ultra-light and durable design
- Up to 2TB of massive storage
- Hassle-free backup usage
