

DECLARATION

Warranty

To whom it may concern,

MED-EL Elektromedizinische Geräte GmbH, manufacturer of Hearing Solutions with manufacturing sites located at Fürstenweg 77a, A-6020 Innsbruck, Austria hereby declares, that the guarantee period for the Control Unit of the Processor is

3 years

and begins with the date of first speech processor fitting. The registration card for the processor must be completed and returned to the manufacturer.

This guarantee exclusively covers the following causes of defects:

1. **Manufacturing defects** which have their origin before the item was handed over to the End Customer.
2. **Defects resulting from normal use and/or moisture problems** included for example slightly scratched housings, bulged microphones and additionally all defects resulting from humid or harsh environments such as oxidations.

It shall not apply to defects resulting from mishandling, incorrect use, accidents, and negligence or any manipulation or unauthorized repair. It shall not apply to any spare parts or consumables, like cables, microphone covers or battery packs.
