

miro-mull "A"

white elastic gauze bandage - crepe texture

miro-mull "A" is a highly elastic gauze bandage for fixation. Thanks to the crepe texture of the surface, when the bandage is applied the individual layers adhere securely to each other and do not slip. Pleasant to wear due to its lightweight and air-permeable texture.

Produced in accordance with DIN 61 634.

Indications:

- fixation of compresses and wound dressings

Composition of Goods:

70% rayon
30% polyamide
