A COMPACT DESIGN TO FIT ANY WORKSPACE

The imageCLASS LBP6030 and LBP6030w are efficient print solutions fit for home offices and small businesses. Designed to keep your desktops clutter-free with its compact form, these monochrome models capably perform high-speed print jobs in the tightest of spaces and the lowest use of energy. Equipped with the wireless function, the LBP6030w allows ordinary printing to further transcend the boundaries of space and location.
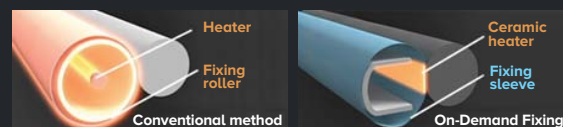

Compact In Size

With its contemporary compact design, the LBP6030 and LBP6030w allow you to keep them on your desk at work or home office without taking up a whole lot of space, making it the perfect choice for home offices and small businesses.

Quick Prints

Incorporating Canon's proprietary On-Demand fixing technology, the LBP6030 series feature a First Print Out Time of 7.8 seconds. Delivering high productivity, each printer achieves a fast output speed of 18ppm for A4 documents.

One-Touch Connect

The LBP6030w comes with wireless capabilities, via the WPS button located conveniently on the printer. Just one touch of the WPS button on the printer and router, a Wi-Fi connection is easily established for wireless printing.

Dollar-Savvy, Earth-Friendly

The new LBP6030 series feature levels of energy efficiency that are among the highest in their class. With a Typical Electricity Consumption (TEC) value of 0.48kWh/week, these printers consume considerably less power in Sleep Mode, in turn saving operation costs while supporting eco-friendliness.
