

Prime Dental Manufacturing, Inc.

4555 West Addison Street,
Chicago, IL, 60641, United States

has been assessed and certified as meeting the requirements of

Directive 93/42/EEC on medical devices, Annex II (excluding Section 4)

For the following products

**Dental polymer based filling and restorative materials;
Dental Bonding Agents; Dental Glass Ionomer;
Dental polymer based luting cements; Dental Core Build up materials;
Dental Root Canal filling materials; Dental temporary cements;
Dental bonding materials; Dental etching materials;
Orthodontic adhesives; Dental Pit and Fissure sealants;
Dental Desensitizer; Dental Root Canal cleaning and lubricating gel;
Dental temporary Crown and Bridge Materials.**

Where the above scope includes class III medical device(s), a valid EC Design Examination Certificate according to Annex II (Section 4) is a mandatory requirement for each device in addition to this certificate to place that device on the market.

This certificate is valid from 16 December 2019 until 24 May 2024
and remains valid subject to satisfactory surveillance audits.
Issue 1. Certified since 11 November 2019
and first certified by SGS Belgium NV since 16 December 2019

Certification is based on reports numbered WW/MW 605153

United States of America

July 01, 2024

Confirmation Letter Reference: CLNB1639 – WW/MC/605153

To whom it may concern,

Confirmation of receipt of the status of a formal application, written agreement, and appropriate surveillance in the framework of Regulation EU 2023/607 amending Regulations (EU) 2017/745 and (EU) 2017/746 as regards the transitional provisions for certain medical devices and in vitro diagnostic medical devices.

This letter confirms that, SGS Belgium NV, a Notified Body (NB) designated against Regulation (EU) 2017/745 (MDR) and identified by the number 1639 on NANDO, has received a formal application in accordance with Section 4.3, first subparagraph of Annex VII of MDR and has signed a written agreement in accordance with Section 4.3, second subparagraph of Annex VII of MDR with the following manufacturer:

Prime Dental Manufacturing, Inc.
4555 West Addison Street
Chicago, IL 60641
United States of America
SRN Number: US-MF-000008807

Authorized Representative:
MedEnvoy Global B.V.
Prinses Margrietplantsoen 33, Suite 123,
2595 AM The Hague, NL
SRN Number: NL-AR-000024028

The devices covered by the formal application and the written agreement mentioned above are identified in the Tables below . Table 1 identifies the devices which an MDR application has been received, written agreement concluded and for which the NB is also responsible for appropriate surveillance of the corresponding devices under the applicable Directive. Table 2 identifies the devices for which an MDR application has been received and a written agreement concluded, but the NB has not yet taken the responsibility for appropriate surveillance of the corresponding devices under the applicable Directive.

In the case of devices covered by certificates issued under Directive 90/385/EEC (AIMDD) or Directive 93/42/EEC (MDD) that expired after 26 May 2021 and before 20 March 2023, without having been withdrawn, this letter also confirms that:

- The manufacturer signed the written agreement under MDR by the date of MDD/AIMDD certificate expiry;
- The certificates expired after 26th May 2021 by course of time and were valid at the date of their expiry neither having been suspended nor withdrawn.

The transition timelines that apply to the devices covered by this letter, subject to the manufacturer's continued compliance to the other conditions specified in Article 120.3 of MDR (as amended by EU 2023/607), are shown below:

- 26th May 2026 for Class III custom-made implantable devices
- 31st December 2027 for Class III devices and Class IIb implantable devices excluding Well-established technologies (WET - sutures, staples, dental fillings, dental braces, tooth crowns, screws, wedges, plates, wires, pins, clips and connectors)
- 31st December 2028 for other Class IIb devices, Class IIa, Class I devices placed on the market in sterile condition or have a measuring function
- 31st December 2028 for devices not requiring the involvement of a notified body under MDD but requiring it under MDR (e.g., class I devices that qualify as re-usable surgical instruments)

On behalf of the Notified Body SGS Belgium NV NB1639,

ADDENDUM XX TO THE MASTER SERVICES AGREEMENT WITH NUMBER 957916

This Addendum 01 to the Master Services Agreement with number 957916 (the "MSA") is made on the last date of signature by both Parties ('the Effective Date'), by and between:

1. **SGS BELGIUM NV**, a corporation organized and existing under the laws of Belgium, and having its principal place of business at **SGS House, Noorderlaan 87 - 2030 Antwerpen** (registered no. BE0404 882 750), hereby duly represented by **Geofrey De Visscher**, Head of Notified Body No 1639 (hereinafter referred to as: "**SGS**").

and

2. **Prime Dental Manufacturing, Inc.**, a corporation organized and existing under the laws of **USA** (registered no **add registered no**) and having its registered office at **4555 West Addison Street, Chicago, IL 60641** hereby duly represented by **add client contact person and job title** (hereinafter referred to as: "**Client**").

The parties, sub (1) and (2) above shall collectively be referred to as the "**Parties**", and individually as a "**Party**".

Whereas SGS and Client have signed an MSA for certification services under Regulation (EU) 2017/745 and Client wishes to obtain audit services from SGS for certain medical devices that are covered by a certificate or declaration of conformity issued under Council Directives 90/385/EEC or 93/42/EEC.

1. SCOPE OF SERVICES

1.1. Client can request from SGS audit services (the "**Audit Services**") for its devices that are covered by a certificate or declaration of conformity issued under Council Directives 90/385/EEC or 93/42/EEC before 26 May 2021, (the "**Legacy Devices**") in the framework of the extended transition period under the Regulation (EU) 2017/745 on medical devices under Regulation 2023-607 of European Parliament and of Council of 15 March 2023 amending Regulations (EU) 2017/745 and (EU) 2017/746 as regards the transitional provisions for certain medical devices and in vitro diagnostic medical devices.

Audit Services are required by the Client to be able to apply the transitional provisions of the Legacy Devices and following the written request of Client, SGS will provide a work proposal to Client for such services.

Audit Services shall be understood as yearly on-site surveillance audit in line with associated proposal that can be completed on purpose by SGS by an unannounced audit or a technical file review inducing that Client shall maintain the Legacy Device Technical file up to date and available on request by SGS. Audit Services are covering devices that are listed in the MDD certificate and will be subject to MDR assessment. Devices that are not covered by the MDR application are excluded from the scope of the present addendum and will not be part of the Confirmation Letter.

1.2. SGS will perform the Audit Services to verify if Client complies with the conditions set in the Regulation 2023-607 of European Parliament and of Council of 15 March 2023 amending Regulations (EU) 2017/745 and (EU) 2017/746 as regards the transitional provisions for certain medical devices and in vitro diagnostic medical devices.

(a) those devices continue to comply with Directive 90/385/EEC or Directive 93/42/EEC, as applicable;

(b) there are no significant changes in the design and intended purpose;

3. GENERAL PROVISIONS

All provisions of the MSA between Parties are applicable to the Audit Services.

This Addendum may be executed in several counterparts, each of which shall be deemed to be an original, and such counterparts together shall constitute one and the same instrument.

IN WITNESS WHEREOF, the Parties hereto have caused duplicate copies of this Addendum to be executed by their duly authorized officers on the dates and at the places indicated below.

Manufacturer's Declaration

in relation to Regulation (EU) 2023/607 amending Regulations (EU) 2017/745 and (EU) 2017/746 as regards the transitional provisions for certain medical devices and in vitro diagnostic medical devices, in particular with respect to

- the validity of certificates issued under Council Directive 93/42/EEC on Medical Devices (MDD) (Directive Certificates) *and/or*
- the compliance of the devices and us as their manufacturer with the conditions for the continued placing on the market and putting into service

Manufacturer name	Prime Dental Manufacturing, Inc.
Manufacturer address and contact details	4555 West Addison Street Chicago, Illinois, 60641, USA T: 773-283-2914 E: qa@primedentalmfg.com
Single Registration Number (SRN) (if available)	Manufacturer US-MF-000008807

Authorised Representative name (if applicable)	MedEnvoy Global BV
Authorised Representative address and contact details	Prinses Margrietplantsoen 33 Suite 123 2595 AM The Hague The Netherlands +31 70 326 2148
Single Registration Number (SRN) (if available)	NL-AR-000024028

Notified body name (if applicable)	SGS Belgium NV
Notified body number (if applicable)	
Directive Certificate number(s) to which this confirmation is made (if applicable)	US/19/819943531
Original expiry date as indicated on the Directive Certificate prior to the extension of the validity (if applicable)	24 MAY 2024

End date of extended validity/transition period	31 DECEMBER 2028
---	------------------

We, as the manufacturer declare under our sole responsibility:

- for the above listed **Directive Certificate** (or see attached schedule, if multiple certificates) the conditions for the legal extension of validity as required in Article 120.2 of the MDR are met *and/or*¹
- the listed **device(s)** in the attached schedule and we as their manufacturer are in compliance with the conditions listed in Article 120.3c of the MDR for continued placing on the market and putting into service,

namely by fulfilling the following conditions:

➤ **Directive Certificate(s)** as listed above or in the attached schedule

- Directive Certificate(s) covering the listed device(s) was/were issued after 25 May 2017, was/were valid on 26 May 2021 and have not been withdrawn afterwards.

Choose applicable statements:

Expired *before* 20 March 2023:

- Before the original date of expiry as indicated on the Directive Certificate(s), we and the notified body have signed written agreement(s) in accordance with Section 4.3, second subparagraph of Annex VII to this Regulation for the conformity assessment(s) in respect of the device(s) covered by the expired certificate(s) or in respect of a device(s) intended to substitute that/those device(s), or
- A Competent Authority has granted a derogation from the applicable conformity assessment procedure in accordance with Article 59(1) MDR (may be provided upon request), or
- A Competent Authority has required the manufacturer, in accordance with Article 97(1) MDR, to carry out the applicable conformity assessment procedure (may be provided upon request)

Choose one of the following statements only if a derogation per Article 59(1) or a requirement per Article 97(1) has been granted by a Competent Authority:

- Formal application(s) to the notified body in accordance with Section 4.3, first subparagraph of Annex VII MDR for conformity assessment has/have been made or will be made/submitted by us to a notified body no later than 26 May 2024 for the device(s) listed in the attached schedule or its/their substitute(s) and signed written agreement(s) is/will be in place in accordance with Section 4.3, second subparagraph of Annex VII MDR before 26 September 2024.
- We do not intent to lodge an application for conformity assessment by 26 May 2024, therefore the transition period will end on 26 May 2024.

An ISO 13485:2016 & CE Marked Products Company

- Expired/expires *after* 20 March 2023:

Choose one applicable statement:

- Formal application(s) to the notified body in accordance with Section 4.3, first subparagraph of Annex VII MDR for conformity assessment has/have been made or will be made/submitted by us to a notified body no later than 26 May 2024 for the device(s) listed in the attached schedule or its/their substitute(s) and signed written agreement(s) is/will be in place in accordance with Section 4.3, second subparagraph of Annex VII MDR before 26 September 2024.
- We do not intent to lodge an application for conformity assessment by 26 May 2024, therefore the transition period will end on 26 May 2024.

➤ **Upclassified devices**

In case of devices for which the conformity assessment procedure pursuant to MDD did not require the involvement of a notified body, for which the declaration of conformity was drawn up prior to 26 May 2021 and for which the conformity assessment procedure pursuant to this Regulation requires the involvement of a notified body:

Choose one applicable statement:

- Formal application(s) to the notified body in accordance with Section 4.3, first subparagraph of Annex VII MDR for conformity assessment has/have been made or will be made/submitted by us to a notified body no later than 26 May 2024 for the device(s) listed in the attached schedule or its/their substitutes and signed written agreement(s) is/will be in place in accordance with Section 4.3, second subparagraph of Annex VII MDR before 26 September 2024.
- We do not intent to lodge an application for conformity assessment by 26 May 2024, therefore the transition period will end on 26 May 2024.

➤ **Quality Management System (QMS)**

Choose one applicable statement:

- A QMS in accordance with Article 10(9) MDR will be put in place by no later than 26 May 2024.
- A QMS in accordance with Article 10(9) MDR is in place.
- A notified body has issued the attached certificate for the MDR-compliant QMS.

➤ **Device(s) as listed in the attached schedule**

- The device(s) continue to comply with the AIMDD or MDD.
- There are no significant changes in the design and intended purpose.
- The device(s) do not present an unacceptable risk to health or safety of patients, users or other persons, or to other aspects of the protection of public health.

DECLARATION OF CONFIRMITY
 EC Directive

March 11, 2024

We, Prime Dental Manufacturing, Inc., hereby declare that the product listed below, to which this Declaration of Conformity relates, is in conformity with Directives, Standards and other Normative Documents as listed.

- Annex II, excluding section 4, of Council Directive 93/42/EEC as amended by Directive 2007/47/EC.
- Technical Regulations on Medical Products to Approved by order of the cabinet of Ministers of Ukraine dated 2.10.2013 #753 Rev 8.
- ISO 13485:2016 Medical Devices – Quality Management Systems – Requirements for Regulatory Purposes
- FDA registered manufacturer of Dental Products. (FDA registration No. 1424442)
- European Notifying Body: SGS Belgium NV (CE1639)

Actor Number / SRN:
Manufacturer:

Manufacturer US-MF-000008807
 Prime Dental Manufacturing, Inc.
 4555 W Addison St
 Chicago, Illinois 60641 USA

Type of Product: Dental Polymer Based Filling and Restorative Materials
Technical File No.: TF01

BASIC UDI-DI: 081744102TF0155

Class: IIa, Rule 8

Product Names:

- Prime-Dent Light Cure Micro-Hybrid Composite
- Prime-Dent Light Cure Hybrid Composite
- Prime-Dent Light Cure Nano-Hybrid Composite
- Prime-Dent Light Cure Flowable Composite
- Prime-Dent Esthetic Kit
- Parafil
- Parafil LAB
- Parafil Gingiva
- Parafil Stains
- Prime-Dent Chemical Cure Composite
