

No. 69

CERTIFICATE OF CONFORMITY  
[EN ISO/IEC 17050-1:2010]

Product: Tissue Paper for Napkins  
Production date: 01.02.2026  
Customer: CRINA&VLAD  
Order No.: 10019917  
Cod: JRT470

*The values of quality characteristics*

Characteristics	Measure unit	Determined values
Basis weight , SR EN ISO 12625-6:2017	g/m <sup>2</sup>	16.2
Reel width	cm	23
The mean dry maximum tensile force MD, SR EN ISO 12625-4:2022	N/m	163
The mean dry maximum tensile force CD, SR EN ISO 12625-4:2022	N/m	73
Elongation ,SR EN ISO 12625-4:2022	%	15.3
The mean wet tensile strength retention, SR EN ISO 12625-5:2017	N/m	27.6
Brightness , SR EN ISO 12625-7:2021	%	X
No.of ply	-	1
Moisture, SR EN ISO 287:2018	%	5.1

The paper is a biodegradable product, isn't dangerous for life and health and it has no negative impact over the environment.

For the production of tissue paper it is used as raw material cellulose TCF (total chlorine free) and ECF (elemental chlorine free).
