WORK EXPERIENCE

April 2016–Present Department Manager for Non-reimbursable Financing, Expert in Accessing European and Governmental Funds, and Financial Expert.

Consulting in management for accessing non-reimbursable financing and implementing projects financed by non-reimbursable funds within the Consulting Department for Management and Accessing Non-reimbursable Funds of OMEGA Trust SRL

- Developing business plans, feasibility studies, conducting technical-economic analyses, market studies, and investment opportunity analyses for business development purposes;
- Preparation of acquisition documentation for public and private institutions;
- Consulting for accessing non-reimbursable funds by defining the Client's financing needs and targeted business investment, identifying the financing program, verifying the eligibility of the client and investment in accordance with the requirements of the recommended financing program considered optimal for financing the investment in order to access non-reimbursable funds.;
- Preparing the necessary documentation for obtaining non-reimbursable funds in accordance with the provisions of the Financing Guide and the specific standard forms of the financing program such as: Business Plan, Feasibility Studies, Investment Opportunity Analyses, and Market Studies, etc. Preparing the Financing Request, developing the project budget in line with the eligibility of expenses as per the Financing Guide, verifying compliance with the maximum thresholds specified for certain budget chapters/lines according to the Guide's provisions, creating economic and financial projections, and preparing other forms and declarations required by the Applicant's Guide and other accompanying annexes for the financing file;
- Providing technical-economic assistance to the client throughout the entire development of the fund access file until the actual submission of the financing file to the Funding Authority/uploading and transmitting the non-reimbursable fund access documentation to the authority;
- Providing technical assistance and support to the Client during the administrative verification of project eligibility and the technical-economic stage, assisting in the preparation of responses to clarification requests received during these two project evaluation stages;
- Providing technical support to the Client during the pre-contractual stage of the project until the actual signing of the Financing Contract with the Funding Authority;
- Implementing, monitoring, and coordinating projects financed by European and governmental funds by: preparing quarterly progress reports, drafting technical-economic reports within the project, preparing payment request/reimbursement request files, assisting in carrying out procurement procedures specified in the project, assisting in reporting procurement files, preparing notifications for proposed updates to the project activity schedule (if applicable), proposing changes to the project team, other situations that fall into the category of notifications during project implementation, drafting information letters/proposals for addendums to operate changes/corrections within the project budget (depending on the project's progress), providing technical assistance to the client in maintaining the relationship with the Funding Authority throughout the project implementation period, offering technical assistance in preparing and submitting responses to any clarification requests, preparing and validating templates necessary for implementing the information and publicity measures imposed by

the Applicant's Guide and the Visual Identity Manual, etc.;

- Participating in and providing support during visits from representatives of the Funding Authority;
- Providing technical consultancy for the preparation of sustainability reports in the post-implementation phase of the project;
- Performing any necessary actions for project implementation in accordance with the Financing Contract or the requirements of the Financing Program during both the implementation and post-implementation phases of the project;
- Creating business plans or various opportunity analyses for OMEGA Trust's investment portfolio based on market analysis for the targeted investment, internal analysis of the company's economic and financial performance, forecasting different financial and investment scenarios, preparing cash flow necessary to underpin the Company's medium- and long-term development strategy, drafting various technical-financial reports and strategic analyses of the company, and submitting them for approval to the Financial Manager and Company Administrator.

July 2015– April 2016

Project Activities Coordinator Responsible for School After School Activities

Asociația pentru Creșterea Speranței de Viață, Bucharest (Romania)

- Monitoring, organizing, and coordinating the activities within the project, reference number/project ID – POSDRU/181/2.2/S/152522, project title - Better Students, in a Better School, funded under the Sectoral Operational Programme for Human Resources Development, 2007-2013 period, AP2, DMI 2.2, as the Project Activities Coordinator Responsible for After-School Activities;
- Ensuring the fulfillment of the project's purpose, objectives, and indicators aimed at facilitating learning alignment within the After-School Activities for the targeted group, particularly ensuring prevention and correction of early school leaving;
- Updating the project activities implementation schedule, verifying compliance of the coordinated activity with the financial values assumed in the project budget, proposing changes/optimizations within the allocated budget for the coordinated activity (as applicable);
- Monitoring and coordinating the activities carried out by project participants, ensuring adherence to deadlines and associated indicators of the coordinated activity in accordance with the activity schedule and Financing Contract;
- Planning, organizing, and supporting presentations at conferences organized within the project framework, as part of the information and publicity actions targeted by the project;
- Periodic reporting on technical-financial progress and the status of coordinated activities by drafting technical-financial progress reports and submitting them for technical validation to the project manager.

March 2014– November 2015

Expert in accessing European and governmental funds

VP Holding Company

- Developing business plans, feasibility studies, conducting technical-economic analyses, market studies, and investment opportunity analyses for business

development purposes, both for strategic investments serving the Company's client portfolio and for investments targeted by the company's internal development strategy;

- Providing consultancy services for accessing European and non-reimbursable funds for the Company's clients by defining the client's financing needs and targeted business investment, verifying client eligibility in accordance with the requirements of the recommended funding program optimal for financing the investment for accessing non-reimbursable funds;
- Drafting project summaries, preparing the technical and financial documentation required in business plans prepared for the Company's clients, completing sections of funding applications, developing the project budget, proposing the activities implementation schedule, and forecasting the payment schedule to be implemented in the project, compiling annexes for the funding file;
- Planning, organizing, and coordinating the entire consultancy activity for accessing non-reimbursable funds provided to the Client to finalize the project documentation development in accordance with the requirements of the targeted funding program;
- Planning, coordinating, and monitoring the activities carried out by internal team members involved in preparing project documentation and specific annexes of the business plan.
- Developing relevant sections of local development strategies subcontracted by the Company's clients, by identifying funding opportunities for targeted development projects to be implemented medium- to long-term in the local/community or county area. Conducting research and market analyses, processing and interpreting analysis and trend data, substantiating reports with conclusions and strategic recommendations. Conducting impact analyses to assess the competitiveness and feasibility of various projects and the socio-economic benefits resulting from their implementation. Defining development directions and measures necessary to be included in the strategy, formulating conclusions, and developing concrete action plans.
- Analyzing and interpreting the evolution of financial and accounting data of the company to graphically represent and develop various economic and financial evolution scenarios. Formulating conclusions and recommendations necessary for substantiating the company's development strategy.
- Analyzing the evolution of financial data to assess the economic and financial impact and strategic implications in the context of different investments. Analyzing and evaluating the financial sustainability of the investment by projecting the cash flow that the company can generate from the implemented investment in the business environment;
- Involvement in coordinating and evaluating business plans in entrepreneurship competitions conducted in POSDRU 2007-2014 funded projects implemented within the company.
- Coordinating communication with external teams of the company in various business consulting projects, collaborating with external specialists or other departments within the company.
- Planning, organizing, coordinating, and participating in the implementation of activities in projects funded by non-reimbursable funds managed within the company's Consulting Department.

- Developing technical-economic progress reports, preparing financial reports and documentation for reimbursement claims, monitoring project cash flow, coordinating the entire financial activity of the project for which I was responsible.
- Drafting notifications/addendums for proposed updates to the project activity schedule (as applicable), preparing letters/notifications/addendums for proposed changes/optimizations/corrections to the project budget (as applicable), providing technical assistance to the client in maintaining the relationship with the Funding Authority throughout the project implementation period, etc.
- Making technical proposals for the company's Procurement Department.

January 2014– March 2014

Internship

VP Holding Company

- Reading, familiarizing with, and assimilating the Company's internal rules and operations.
- Training activity on operating the TIMS (Training Information Management System) software application.
- Specialized assistance, collaborating with other employees of the Company.
- Developing various modules and sections of technical documentation within non-reimbursable funded projects under the guidance of the Consulting Department Manager.
- Developing integrated sections of economic-social context analysis to assess the feasibility of projects aimed at non-reimbursable support through European funding programs: PNDR 2007-2013, POSDRU 2007-2013, Norwegian Grants, and EEA Grants.
- Creating information sheets to promote funding opportunities to the Company's client base

Cafea Fortuna SRL

In atentia viitorilor parteneri ai companiei OMEGA Trust,

Scrisoare de recomandare

Echipa de experti din cadrul OMEGA Trust, formata din Cosmin Macaneata (Specialist tehnico-economic), Dan Sora (Specialist tehnico-economic), Stefan Grigore (Manager de proiect si Consultant Management) si Andreea Geanta (Specialist economic), a furnizat catre Cafea Fortuna SRL in perioada 21.09.2016 – 10.11.2016 Servicii de consultanta pentru pregatirea si elaborarea unui studiu de fezabilitate privind analiza oportunitatii realizarii unei investitii.

Proiectul a vizat analiza pietei / oportunitatea investitiei, analiza financiara (proiectii financiare / calcul profitabilitate), locatie (identificare, analiza, prezentare alternative), analiza SWOT a investitiei, pregatirea si analiza dezvoltarii aplicatiei.

Pe parcursul proiectului, echipa de experti a tratat cu maxim de responsabilitate si professionalism angajamentul incheiat, atingand obiectivele urmarite mai mult decat corespunzator. In toata perioada de colaborare, echipa s-a implicat active in respectarea termenelor si realizarea sarcinilor profesionale.

Echipa de experti s-a evidenciat prin personalul profesionist si nivelul foarte ridicat de expertiza in serviciile oferite dand dovada de bune aptitudini profesionale si sociale.

Pe baza celor mentionate, recomandam cu incredere echipa de experti mai sus mentionata in calitate de furnizori de servicii de consultant.

Cu respect,

Director Operatiuni

Andrei Moroianu

Cafea Fortuna SRL

Scrisoare de recomandare

21 Aprilie 2021.

Prin prezenta scrisoare recomandam expertii din cadrul OMEGA TRUST SRL care s-au implicat cu profesionalism in executarea prevederilor contractului de prestari servicii nr. 3123/06.10.2020.

Apreciem ca societatea, prin expertii acesteia:

- Stefan Grigore in rolurile de Manager proiect si Consultant Senior Fonduri Europene (Expert scriere si accesare finantari nerambursabile);
- Irina Rusu, in rolurile de Consultant Senior Fonduri Europene (Expert scriere si accesare finantari nerambursabile) si Expert Financiar
- Natalia Cirimpei in rolul de Expert financiar;
- Andreea Geanta in rolurile de Consultant Senior Fonduri Europene (Expert scriere si accesare finantari nerambursabile) si Expert financiar si Bugetare;
- Isabella Negulescu, in rolul de Consultant Senior Fonduri Europene (Expert scriere si accesare finantari nerambursabile);
- Florentina Grosu, in rolul de Consultant Senior Fonduri Europene (Expert scriere si accesare finantari nerambursabile);
- Cosmin Macaneata in rolul de Expert tehnic;
- Dan Sora in rolul de Expert Tehnic;
- Catalin Neculoiu in rolul de Expert Tehnic.

A reusit cu profesionalism sa indeplineasca obligatiile contractuale, incepand cu luna octombrie 2020 si pana in prezent.

Pe parcursul proiectului, echipa de experti a tratat cu maxim de responsabilitate si profesionalism angajamentul incheiat, atingand obiectivele urmarite mai mult decat corespunzator. In toata perioada de colaborare, echipa s-a implicat activ in respectarea termenelor si realizarea sarcinilor profesionale.

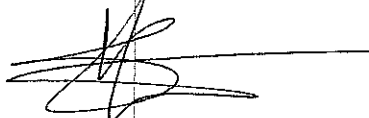

Seriozitatea si promptitudinea echipei in modul de gestionare a sarcinilor ce au decurs din contractul incheiat cu noi, ne-au convins ca aceasta societate dispune de baza materiala, management, experienta si expertiza pentru buna derulare a contractelor similare.

Cu respect,

Valdimir Sterescu,

Administrator,

SCRISOARE DE RECOMANDARE

Avem deosebita placere sa va recomandam echipa de experti formata din:

- **Andreea Geanta**, Manager de Proiect, Consultant senior fonduri nerambursabile, Consultant achizitii;
- **Bogdan Paunescu**, Expert Financiar si Consultant senior fonduri nerambursabile
- **Florentina Grosu**, Consultant senior fonduri nerambursabile, Consultant achizitii

Acestia au colaborat cu societatea noastra, Diaplast Production SRL, in perioada Mai 2022 - Martie 2024, demonstrand constant excelenta, profesionalism si dedicare.

Pe parcursul colaborarii noastre, aceasta echipa de experti a gestionat cu succes implementarea proiectului nostru, cu titlul "Extinderea capacitatii de productie injectie mase plastice in judetul Arges", acord de finantare 413/24.03.2022, derulat prin intermediul HG 807/2014 pentru instituirea unor scheme de ajutor de stat avand ca obiectiv stimularea investitiilor cu impact major in economie.

Implementarea cu success a proiectului este realizarea notabila a echipei, cu un impact semnificativ asupra activitatii societatii noastre.

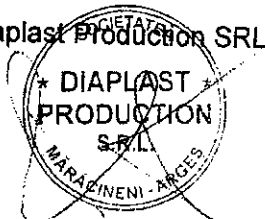

Acestia s-au evidentiat prin excelente abilitati de comunicare si colaborarem lucrand efficient atat in individual, cat si in echipa. Angajamentul lor fata de excelenta a fost mereu evident in toate aspectele muncii lor.

Va recomandam cu incredere aceasta echipa de experti deoarece suntem siguri ca vor continua sa exceleze in toate proiectele in care vor fi implicati

SCRISOARE DE RECOMANDARE

Avem deosebita placere sa va recomandam echipa de experti formata din:

- **Andreea Geanta**, Manager proiect, Consultant senior fonduri europene si ajutoare de stat;
- **Bogdan Paunescu**, Expert senior ajutoare de stat, Expert Financiar ;
- **Florentina Grosu**, Consultant senior fonduri si ajutoare de stat;

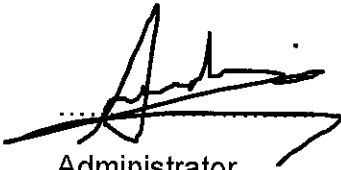

Acestia au colaborat cu societatea noastra, in perioada Octombrie 2021 – Aprilie 2023, demonstrand constant excelenta, profesionalism si dedicare.

Pe parcursul colaborarii noastre, aceasta echipa de experti ne-a oferit asistenta pentru depunerea unei cereri de finantare in vederea accesarii unei finantari nerambursabile prin ajutor de stat in baza HG nr.332/2014, privind instituirea unei scheme de ajutor de stat pentru sprijinirea investitiilor care promoveaza dezvoltarea regionala prin crearea de locuri de munca, cu modificarile si completarile ulterioare.

Obtinerea finantarii in cadrul schemei de ajutor de stat este realizarea notabila a echipei, cu un impact semnificativ asupra activitatii societatii noastre.

Acestia s-au evidentiat prin excelente abilitati de comunicare si colaborarem lucrând efficient atat in individual, cat si in echipa. Angajamentul lor fata de excelenta a fost mereu evident in toate aspectele muncii lor.

Va recomandam cu incredere aceasta echipa de experti deoarece suntem siguri ca vor continua sa exceleze in toate proiectele in care vor fi implicati
