### EXPERIENȚA PROFESIONALĂ

**03/2018 - 11/2019** Chișinău, Moldova

**Cameraman Pro TV**

În calitate de operator de imagine am realizat filmări pentru programele de știri și emisiunile difuzate în direct sau înregistrate. Munca a presupus în mare parte deplasări pe teren, unde realizăm muncă de echipă împreună cu reporterul. Imaginile pe care le înregistram pe cameră erau fie transmise în direct fie constituiau material brut pentru editarea ulterioară.

**11/2019 - 10/2020** Chișinău, Moldova

**Cameraman de producție Agro TV**

- Împreună cu regizorul și producătorul făceam scouting de locație și lista necesară de echipament pentru a produce emisiunea pe teren.
- Ne deplasam la locație, instalam platoul de filmare și filmam emisiunea.
- Dincolo de lucrul cu imaginea, aici am învățat să stăpînesc foarte bine tehnica, în ceea ce privește sunetul și lumina, pentru a realiza filmări corecte și de calitate.
- Realizam filmări cu drona pentru emisiuni de divertisment.

**10/2020 - 09/2022** Chișinău, Moldova

**Cameraman TV8**

Pentru postul TV8 am realizat filmări pentru programele de știri și emisiunile difuzate în direct sau înregistrate. Pe teren am lucrat împreună cu reporterul pentru realizarea știrilor. Eu eram responsabil de calitatea tehnică (sunet, lumină, încadrături corecte) și artistică a filmărilor (surprinderea unor detalii cutremurătoare, inedite).

**09/2022 - 03/2023** Chișinău, Moldova

**Videograf și asistent de director de imagine la producțiile medii și mari BR Media Group**

Principala activitate era filmarea podcasturilor. Activitatea presupunea instalarea platoului de filmare și plasarea luminilor corespunzătoare pentru o imagine de calitate.

În cadrul producțiilor medii și mari eram responsabil de echipamentul video. Eram cel care se ocupa de asamblarea camerei video, schimbarea lentilelor și asiguram transmiterea semnalului audio și video către Video-Assistentul regizorului.
