

# Certificate of Warranty

Dear MVC-Prim SRL: First of all, thank you for choosing our products!

1. In order to ensure product quality and ensure that the product quality meets the five year warranty period, the following guarantees are made:  
*Achizitie publica 21227154*
2. The supplier guarantees that the products supplied meet the legal quality standards and is responsible for the quality of the products. The supplier must provide the buyer with a stamped warranty certificate with a five year warranty period and an ISO 9001 certificate.
3. The supplier's product packaging, registered trademarks, etc. comply with relevant national regulations
5. When consumers complain about product quality issues, suppliers should actively cooperate and properly resolve them.
