CE/UE COMPLIANCE OF PE y PP SHEETS

We hereby declare that the articles in the form of polyethylene sheet (PE-HD, PE-HMW, PE-UHMW) and polypropylene sheet (PP-C and PP-H) manufactured by Durplastics, S.A have been manufactured in accordance with the technical specifications of the contract and once all the control and testing operations have been carried out, they respond in each of their aspects to the specifications regarding the current standards referred to.

The indicated products comply with the relevant Community harmonization legislation:

Regulation (EC) No 1907/2006 (**REACH**) of the European Parliament and of the Council of December 18, 2006, as amended.

Directive 2011/65/EU of the European Parliament and of the Council of June 8, 2011, and its amendments, on restrictions on the use of certain hazardous substances in electrical and electronic equipment (**RoHS**)

In the evaluation of conformity with the provisions indicated above, the following harmonized standards or specifications have been used, with respect to which conformity is declared. This product is not intentionally manufactured or formulated with any of the substances listed below:

Scope:

- Annex
- Annex XVII-Restrictions on the manufacture, marketing and use of certain dangerous substances, mixtures and articles of Regulation (EC) No. 1907/2006 of the European Parliament and of the Council of December 18, 2006, and its amendments.
- Candidate List of Substances of Very High Concern (SVHC), in accordance with the most up-to-date revision disclosed in the SVHC Statement.
- PFAS (perfluoroalkyl and polyfluoroalkyl substances).
- Annex II-Restricted substances referred to in article 4, section 1 and maximum values of tolerable concentration by weight in homogeneous materials.
